INTRODUCING

THE ALL-NEW

ADVENTURE

COACHBUILT RANGE FOR 2027

Discover a new way to explore, with the all-new Adventure Coachbuilt range from Auto-Trail. Designed for modern touring, the Adventure combines contemporary styling, practical layouts and exceptional comfort, making every journey as enjoyable as the destination.

The Adventure range is built on the reliable Peugeot chassis and introduces an all-new bodyshell with striking, modern styling. A redesigned GRP cab, sleek grey body finish, sculpted rear profile and distinctive new rear light clusters create a stylish exterior that stands out wherever your travels take you.

With four thoughtfully designed Hi-Line models, each featuring a comfortable overcab bed, including the **Adventure 64**, **Adventure 74**, **Adventure 76** and **Adventure 76G**, every vehicle offers four berths and four travelling seats as standard, making the range ideal for couples and families alike. Wherever the road leads, the new Adventure range is built to help you travel further, stay longer and experience more in comfort and style.

Step inside the Adventure and enjoy a light, airy living space, created by the large panoramic skylight at the rear of the overcab that fills the interior with natural light. The new **Caramel** wood finish creates a warm and welcoming atmosphere, while elegant **Tibesti Grey** furniture adds a modern, sophisticated touch throughout the interior.
Make the Adventure your own with a choice of premium upholstery. **Piero Blue** is fitted as standard, while **Otaru Blue** is available as a complimentary option, giving you the freedom to choose a look that suits your personal style.
A wide range of optional extras are available, including the new **Premium Pack**, **Driver's Pack** and **Lifestyle Pack**. Whether you're planning weekend escapes or extended touring adventures, you can tailor your Adventure to perfectly complement the way you travel.

SMARTER SECURITY

SARGENT TRACKING

Thatcham Category 5 Tracker is now standard across all 2027 coachbuilt models

Every 2027 Coachbuilt model comes equipped with a Thatcham Category 5 Tracker as standard, providing enhanced vehicle security and greater peace of mind.

Your first year's subscription is included, with continued cover available through a direct subscription with Sargent Electrical.

CAMPERVANS

V-LINE SPORT

The 2027 V-Line Sport range consists of three versatile models: the 610 Sport, 635 Sport and 636 Sport. Each model combines sporty styling with contemporary design and spacious lounge layouts, making them ideal for travellers who value both practicality and comfort on every adventure.

Across the range, the panoramic Panoview roof skylight fills the interior with natural light, creating a bright, open and inviting living space. Auto-Trail's signature U-shaped rear lounge is featured in every model, providing the perfect place to relax, dine or unwind after a day of exploring. A practical rear gas strut boot also offers generous storage for all your travel essentials.

Inside, premium upholstery, ambient lighting and intelligently designed storage solutions come together to create a compact, agile campervan without compromising on comfort. The result is a stylish, compact home-from-home, ready for every journey.

EXPEDITION

Pop-top roof available on selected models

Perfect for first-time tourers and seasoned adventurers alike, the Auto-Trail Expedition range combines compact dimensions with sleek styling, making it effortless to navigate everything from bustling city streets to winding country roads.

With nine versatile models to choose from and a wide range of optional extras, finding the perfect Expedition to suit your travel style is easy. From the compact Expedition 54, measuring just 5.4 metres in length and ideal for couples or solo travellers, to the spacious Expedition 68 with its custom-built internal garage, and the innovative Expedition 68 XL Flex, featuring an electrically operated bed that lowers for easy access and raises to maximise garage storage, there's an Expedition designed for every adventure.

MOTORHOMES

EXCEL

Pop-top roof available on selected models

The Excel range showcases three exceptional coachbuilt motorhomes – the 620S, 620G and 690T. Sleek, sophisticated and designed for effortless touring, each model pairs luxurious interiors with the practicality of a compact footprint.

Expertly designed for couples and small families, the Excel offers the agility of a compact motorhome with the luxury, space and refinement of a full coachbuilt, creating the perfect companion for every adventure.

With a wide range of optional extras available, it's easy to tailor your Excel to suit your lifestyle. Choose from features such as an elevating pop-top roof, lithium batteries and a Thule bike rack, along with many other options designed to enhance every journey. For even greater convenience and comfort, the new Driver's Pack, Premium Pack and Lifestyle Pack are also available, allowing you to personalise your Excel even further.

F-LINE

DROP-DOWN BEDS AVAILABLE!

Discover the F-Line range, where Ford-powered performance meets contemporary design and exceptional comfort. The F60, F62, F67, F70, F72 and F74 models combine stylish interiors and thoughtful features, making every journey as enjoyable as the destination.

Tailor your F-Line to suit the way you travel with a choice of standard bench seat or half dinette layouts. For added flexibility, an optional electric drop-down bed provides additional sleeping space, making the range ideal for couples, families and touring with guests.

Every F-Line model is generously equipped with premium features as standard, including a 200W flexi solar panel, Thatcham CAT 5 tracking system, and a three-burner hob with a full oven and grill. A wide selection of optional extras, including a factory-fitted detachable towbar, lithium battery upgrade and Thule bike rack, allows you to personalise your motorhome even further. You can also enhance your F-Line with the Driver's Pack, Premium Pack and Lifestyle Pack, creating a motorhome that's perfectly suited to your adventures.

ALL-NEW ADVENTURE

NEW RANGE!

New for 2027, the Auto-Trail Adventure range has been thoughtfully designed to combine contemporary styling with everyday practicality. Offering versatile layouts, intelligent storage solutions and premium finishes throughout, it's the ideal motorhome for making every journey feel effortless.

On the outside, a fresh grey GRP body is complemented by striking new decals, redesigned rear light clusters and premium 16" alloy wheels as standard, creating a sleek, modern look. Inside, a large panoramic skylight fills the living space with natural light, enhancing the bright, open feel of the interior.

Personalise your Adventure to suit the way you travel with a wide selection of optional extras, including a lithium battery upgrade, factory-fitted detachable towbar, Thule bike rack and Isofix. The Driver's Pack, Premium Pack and Lifestyle Pack offer even more opportunities to tailor your motorhome to your lifestyle.

Complete the interior with your choice of upholstery. Piero Blue comes as standard, while Otaru Blue is available as a complimentary option, allowing you to create a living space that reflects your personal style.
